## OUR FLOORING SYSTEMS

### EPOXY SOLID COLOUR

Available in a variety of colours and designs. Used in our signature marble design; popular for tablespots, counters.

### EPOXY METALLIC

Available in a wide variety of beautiful and vibrant colours. Great for work surfaces. Popular for offices and businesses.

### EPOXY FLAKES

This system offers additional traction and durability. Perfect for outdoor surfaces and garages.

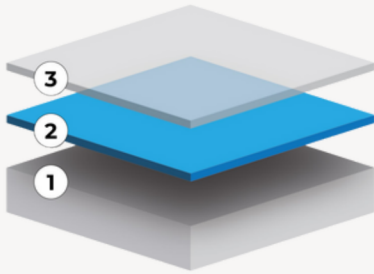

### EPOXY QUARTZ

For the most demanding heavy-traffic environments, which require high traction properties. Great for outdoor or indoor use.

## SOLID COLOUR & METALLIC

This shows our Solid Colour & Metallic Systems. We start with a colour primer, add a colour coat and finish with one clear coat.

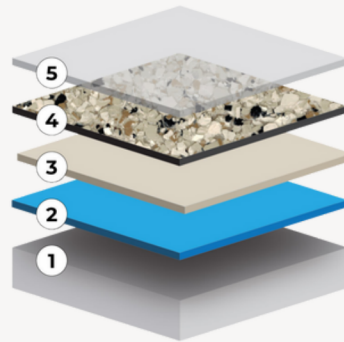

- ✓ 3 Layer System
- ✓ Anti-Microbial
- ✓ Chemically Resistant, UV Protected & Scratch Resistant

**FROM £110**  
PER SQUARE METER

## EPOXY FLAKES

The Flake System starts with a primer, then a colour coat, next a layer of chips to cover the colour coat and is finished with a clear coat.

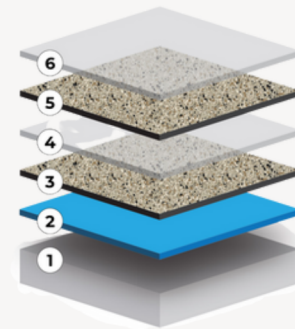

- ✓ 5 Layer System
- ✓ Added Durability
- ✓ Chemically Resistant, UV Protected & Scratch Resistant

**FROM £150**  
PER SQUARE METER

## EPOXY QUARTZ

The Epoxy Quartz System uses a double layer of chips made from natural mineral flakes that make the flooring system sparkle and grip.

- ✓ 6 Layer System
- ✓ Added Slip-Resistance
- ✓ Interior or Exterior Use, Superior Durability & Rapid Return to Service

**FROM £180**  
PER SQUARE METER

## BENEFITS OF AN EPOXY FLOOR

### SEAMLESS & NON-POROUS

**No Cracks for Bacteria or Dirt**

Epoxy flooring is seamless. Its self-leveling technology means that every inch of floor is coated.

### NHS HYGIENE STANDARD

**Approved to the Highest Standards**

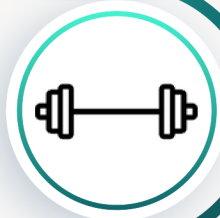

Epoxy floors are anti-microbial and low maintenance. Ensure the highest level of hygiene.

### UNIQUE DESIGN

**Solutions to Meet Any Demand**

We work with you to design and customise the colour and finish of your surface.

### DURABLE & EASY MAINTENANCE

**Perfect for Heavy-Industry**

Scratch, stain and abrasion resistance even in the most demanding environments.

### PRACTICALLY NON-SOLVENT

**Protects Customers & the Earth**

Our products have significantly less solvent odours than other epoxy resin products.
